FY 2024 BYRNE DISCRETIONARY GRANT PROGRAM OVERVIEW

BJA
Bureau of Justice Assistance
U.S. Department of Justice

FY 2024 Byrne Discretionary Grant Program

- Community projects designated for funding in the Consolidated Appropriations Act, 2024 (Public Law 118-42).
- **Funding will only be provided for the specific projects and amounts designated**, as specified in the Joint Explanatory Statement (JES), which is incorporated by reference into Public Law No. 118–42.
- **Only recipients invited to apply are eligible for this funding.**

Consolidated Appropriations Act, 2024 (Public Law 118-42):
<https://www.congress.gov/bill/118th-congress/house-bill/4366>

List of OJP-Byrne Projects: <https://bj.a.ojp.gov/funding/fy24-byrne-discretionary-projects.pdf>

Why Must I Apply Again?

- Congressional members solicited community project applications from constituents and liaised with federal agencies on topic area for the projects.
- Congress authorized funding for selected projects under relevant federal grant programs.
- OJP must issue and administer community project funding directed to the agency as a federal grant.
- All federal grants require an application to be a recipient of federal funding. **This is a non-competitive grant program.**

FY 2024 Byrne Discretionary Grants

OJP is issuing four identical solicitations for Congressionally-directed community project funding, based on the program office they are assigned. Applicants must apply to the correct opportunity ID per email instructions:

- BJA: O-BJA-2024-172101
- OJJDP: O-OJJDP-2024-172105
- OVC: O-OVC-2024-172106
- NIJ: O-NIJ-2024-172109

TIP: Search by the Opportunity ID in grants.gov, not by program name, to ensure you are applying for the correct solicitation.

Period of Performance

- Awards will be issued with a period of performance **start date of March 9, 2024, unless applicants request a later start date but no later than October 1, 2024.**
- Applicants can request a 12 to 48-month project period. **You should request the time anticipated to complete the project.**
- Costs incurred on/after project start date but prior to issuance of an award and approval of a project budget **may** be reimbursed, **but are incurred at the applicant's own risk**, as authorized costs will be limited to those approved by OJP.

Changes to Project Activities or Costs

Q: When we submitted our community project to Congress, we included activities and associated budget costs. Can we modify or replace these items in the grant application?

A: It depends. The grant can only fund activities clearly supported by the project title in the JES. **If the proposed activities/costs support the project title, you may include them in the grant application, even if different than what was proposed to Congress.**

Example

JES Project Title: Purchase of Body-Worn Cameras (BWCs)

Allowable Changes

- ✓ Quantity of BWCs
- ✓ Quantity or type of BWC accessories
- ✓ Functionality changes

Unallowable Changes

- ✗ Adding in-car cameras to project
- ✗ Paying OT to LEOs using BWCs

OJP Grant Application Resource Guide

SAM.gov Entity Validation Update [↗](#)

GSA implemented a new process to validate an entity's legal business name and physical address when requesting a Unique Entity Identifier (UEI) and for completing a SAM.gov entity registration. Due to a high volume of requests, entity validations are taking longer than expected to process. This validation process is now taking 7-10 business days, and in some cases longer.

OJP strongly recommends starting your SAM.gov registration process as soon as possible to allow the time necessary to process entity validations well in advance of the Grants.gov due date posted in the solicitation. Read [this FAQ](#) for more information.

The Office of Justice Programs (OJP) Grant Application Resource Guide ("Guide") provides guidance to assist OJP grant applicants in preparing and submitting applications for OJP funding. It addresses a variety of policies, statutes, and regulations that apply to many (or in some cases, all) OJP program applicants, or to grants and cooperative agreements awarded in fiscal year (FY) 2023. Some OJP programs may have program solicitations that expressly modify a provision of this Guide; in such cases, the applicant is to follow the guidelines in the solicitation as to any such expressly modified provision.
